#### HIGHLIGHTS

An issue developed with a 55-year-old Howard City woman when she repeatedly called Central Dispatch via 911 for non-emergency calls. Thirty-five calls were made between March 22 and March 26. Some of the calls were requests for first responders, however, the woman would retreat to her home when the first responders arrived. Some of the calls were nonsensical statements and some of the calls were vulgar laced rants towards the dispatchers. The woman was charged with, and arrested for, Emergency 911 Service- Using for Unauthorized Purpose. The woman is currently out on bond.

The fatal house fire that claimed the life of a 75-year-old Howard City man remains under investigation with evidence currently at the Michigan State Police laboratory for analysis.

Respectfully submitted,

Michael J. Williams  
Sheriff
