HIGHLIGHTS

On February 18th, a homeowner in the 20000 block of Autumn Lane reported damage done to his yard and driveway. The homeowner has suspicions who was responsible however merely wanted a report filed and the deputies aware of the situation.

On February 25th, a report of a theft of a garbage can was reported in the 20000 block of West Tamarack Road. The garbage can was later recovered approximately one-half a mile away and sustained damage. It was learned that several garbage cans were moved about the neighborhood the evening prior.

There were four separate fraud reports investigated during the month. There is no indication that any of the offenses are related.

Respectfully submitted,

Michael J. Williams
