#### HIGHLIGHTS

On December 28<sup>th</sup>, a larceny of automobile parts was reported in the 19000 block of West Howard City-Edmore Road. The items taken were the four catalytic convertor this vehicle was reported to have. Thefts of catalytic convertors occur throughout the County as the catalytic convertors are valuable to turn in for scrap metal. The unique thing of this incident is that the car was actually flipped over to make the convertors easily accessible. At this time, there are no suspects.

Respectfully submitted,

Michael J. Williams
