Reynolds Township Cemetery Ordinance

An ordinance to protect the public health, safety and general welfare by establishing regulations relating to the operation, control, and management of cemeteries owned by the Township of Reynolds, Montcalm County, Michigan; to provide penalties for the violation of said ordinance, and to repeal all ordinances or parts of ordinances in conflict therewith.

THE TOWNSHIP OF REYNOLDS, MONTCALM COUNTY, MICHIGAN, ORDAINS:

Section 1: Title
This ordinance shall be known and cited as the Reynolds Township Cemetery Ordinance.

Section 2: Definitions of Cemetery Lots and Burial Spaces
A cemetery lot shall consist of burial spaces sufficient to accommodate from one to eight burial spaces.

A burial space shall consist of a land area five (5) feet wide and ten (10) feet in length.

Section 3: Sale of Lots or Burial Spaces
Hereafter, cemetery lots or burial spaces shall be sold only to residents or taxpayers of the Township for the purpose of the burial of such purchaser or his or her heirs at law or next of kin. The Township Clerk, however, is hereby granted the authority to vary the aforesaid restriction on sales where the purchaser discloses sufficient personal reason for burial within the Township through previous residence in the Township or relationship to persons interred therein.

All such sales shall be made on a form approved by the Township Board, which grants a right of burial only and does not convey any other title to the lot or burial space sold. Such form shall be executed by the Township Clerk.

Burial rights may only be transferred to those persons eligible to be original purchasers of cemetery lots or burial spaces within the Township and may be effected only by endorsement of an assignment of such burial permit upon the original burial permit form issued by the Township Clerk, approved by said Clerk, and entered upon the official records of said Clerk. Upon such assignment, approval and record, said Clerk shall issue a new burial permit to the assignee and shall cancel and terminate upon such records, the original permit thus assigned.

Section 4: Purchase Price and Transfer Fees
Each burial space shall cost the sum of one hundred (100) dollars.

Any transfer of one or more burial spaces from an original purchaser to a qualified assignee shall cost one hundred (100) dollars.

The foregoing charges shall be paid to the Township Treasurer and shall be deposited in the cemetery fund for the particular cemetery involved in the sale or transfer.

The Township Board, by resolution, may periodically alter the foregoing fees to accommodate increased costs and
needed reserve funds for cemetery maintenance and acquisition.

Section 5: Grave Opening Charges
The opening and closing of any burial space, prior to and following a burial therein, and including the interment of ashes, shall be at a cost to be determined from time to time by resolution of the Township Board, payable to the Township.

No burial spaces shall be opened and closed except under the direction and control of the Cemetery Sexton. This provision shall not apply to proceedings for the removal and reinterment of bodies and remains, which matters are under the supervision of the local health department.

Section 6: Markers or Memorials
All markers or memorials must be of stone or other equally durable composition.

Any large upright monuments must be located upon a suitable foundation to maintain the same in an erect position.

Only one monument, marker or memorial shall be permitted per burial space unless approved by township board.

The footing or foundation upon which any monument, marker or memorial must be placed shall be constructed by the Township at cost to the owner of the burial right.

All markers or stones placed on graves on the East Half of a block shall face East with the inscription thereon placed in such a manner that it can be read facing West, and all markers or stones placed on the West half of a block shall face West with the inscription placed in such a manner that it can be read facing East. Placement of markers and stones, whenever possible, shall be in a straight line with markers or stones on adjoining lots.

Section 7: Interment Regulations
The appropriate permit for the burial space involved, together with appropriate identification of the person to be buried therein, where necessary, shall be presented to either the Sexton or the Township Clerk prior to interment. Where such permit has been lost or destroyed, the Township Clerk shall be satisfied, from his or her records, that the person to be buried in the burial space is an authorized and appropriate one before any interment is commenced or completed.

All graves shall be located in an orderly and neat appearing manner within the confines of the burial space involved.

Section 8: Ground Maintenance
No grading, leveling, or excavating upon burial space shall be allowed without the permission of the Cemetery Sexton or the Township Clerk.

No flowers, shrubs, trees or vegetation of any type shall be planted without the approval of the Sexton or the Township Clerk. Any of the foregoing items planted without such approval may be removed by the Township or the Cemetery Sexton.
The Township Board reserves the right to remove or trim any tree, plant or shrub located within the cemetery in the interest of maintaining proper appearance and the use of the cemetery.

Mounds which hinder the free use of a lawn mower or other gardening apparatus are prohibited.

The Cemetery Sexton shall have the right and authority to remove and dispose of any and all growth, emblems, displays or containers therefore that through decay, deterioration, damage or otherwise become unsightly, a source of litter or a maintenance problem.

Surfaces other than earth or sod are prohibited. Sprinkling of water is limited to one hour.

All refuse of any kind or nature including, among others, dried flowers, wreaths, papers, and flower containers must be removed or deposited in containers located within the cemetery.

The use of any glass containers is prohibited.

Section 9: Forfeiture of Vacant Cemetery Lots or Burial Spaces
Cemetery lots or burial spaces sold after the effective date of the ordinance and remaining vacant 50 years from the date of their sale shall automatically revert to the Township upon occurrence of the following events:

Notice shall be sent by the Township Clerk by first class mail to the last known address of the last owner of record informing him of the expiration of the 50-year period and that all rights with respect to said lots or spaces will be forfeited if he does not affirmatively indicate in writing to the Township Clerk within 60 days from the date of mailing of the within notice his desire to retain said burial rights.

No written response to said notice indicating a desire to retain the cemetery lots or burial spaces in question is received by the Township Clerk from the last owner of record of said lots or spaces, or his heirs or legal representative, within 60 days from the date of mailing of said notice.

Section 10: Repurchase of Lots or Burial Spaces
The Township may repurchase any cemetery lots or burial space from the owner for the original price paid the Township upon written request of said owner or his legal heirs or representatives.

Section 11: Records

Section 12: Vault
All burials shall be within a standard concrete vault installed or constructed in each burial space before interment.

Section 13: Cemetery Hours
